"Every night part of my prayer is for God to guide my family down the path that best allows each one of us to be the person God created us to be. There is no question that my prayers have been answered at Penn View Christian School. It is very clear to me that the goal of every faculty and staff member is to provide each child with an excellent academic education in a Christ-centered environment. At Penn View, each child is given the tools to develop into the person God created them to be." ~Melissa Godfrey, Penn View Parent
