"Penn View has provided the 'good soil' for our children to be deeply rooted in the love of God and steadfast in teaching them academically. I am so thankful they are in a place where they are encouraged to be who God created them to be."

Deb Rotelle, PVCS Parent

"Penn View focuses on an infusion of Biblical truths in all areas of learning. The greater purpose is to share the Word of God and cultivate a personal relationship with Jesus Christ. The freedom to express one's Christian beliefs and convey God's love is truly the best part of teaching. To impact a child's life for eternity is a great responsibility, but one with many rewards."

Bonita Ness, Pre-Kindergarten Teacher

"I feel very blessed to go to school at Penn View because of the resources, the teachers, and the passion for God I have developed while being there."

*Natalie Van Handel,
Penn View 8th grade student*
