

# Math Readiness

## Prekindergarten

- Introduce use of tools
- Exploration of materials
- Quantity
- Explore symmetry
- Numbers
- Measurement (standard & nonstandard)
- Ordering (by size, height, length, weight)
- One-to-one correspondence (matching)
- Graphing/Pictograph
- Patterning (recognize, copy, extend, create)
- More/Less/Equal
- Spatial relationships (over, under, beside, in, next to, on, between)
- Shapes
- Classification (sorting by size, color, shape)
- + and – with concrete objects
- Telling time
- Coin recognition (penny, dime, nickel, quarter)
