CHRISTIAN SCHOOL

"I am privileged to teach in an environment where children can be nurtured in every aspect of their development; emotional, social, intellectual, physical and spiritual. Penn View provides an all encompassing educational journey for every child that walks through our doors".

Sarah Derstine
Early Childhood Teacher
and Penn View graduate

"We are very thankful for Penn View Christian School - it should be known to everyone how great a school it is and how great the teachers and staff are. God has truly blessed us by leading us to Penn View."
